

Elizabeth D. Hilborn, DVM, MPH, Dipl. ACVPM

Selected presentations:

1. **Elizabeth D Hilborn** webinar: *Health Effects Associated with Harmful Algal Blooms and Algal Toxins*. New England Chapter of the North American Lake Management Society, webinar. April 20, 2021.
2. **Elizabeth D Hilborn**. *Toxic cyanobacteria and One Health: how animals can serve as sentinels of human health risks*. Istituto Superiore di Sanità, Rome, Italy. November 19, 2018.
3. **Elizabeth D Hilborn** webinar: *Human health effects associated with exposure to cyanobacteria and cyanotoxins; What do we know?* Centers for Disease Control and Prevention, Poison Control Centers and Public Health Collaboration Community of Practice, webinar. March 14, 2018
4. **Elizabeth D Hilborn**. *Insect survival, our survival*. Pecha Kucha, Pittsboro, North Carolina. December 12, 2017.
5. **Elizabeth D Hilborn**. *One Health and Toxic Cyanobacteria*, Panel discussion, American Veterinary Medical Association Convention, Indianapolis, Indiana. July 25, 2017.
6. **Elizabeth D Hilborn**. *Human health effects associated with exposure to cyanobacteria and cyanotoxins; What do we know?* Mycotoxins and Phycotoxins, Gordon Research Conference. Easton, Massachusetts, June 18-23, 2017.
7. **Elizabeth D Hilborn**. *Support Pollinators to Reduce the Effects of Climate Change*. Abundance Foundation, Climate Carnival, Pittsboro, North Carolina. May 13, 2017.
8. **Elizabeth D Hilborn**. *One Health in action: environmental considerations*. Duke Global Health Institute Short Course: An Introduction to One Health Problem Solving. Durham, North Carolina, May 23, 2016.
9. **Hilborn, ED**. Whitney S. Krueger, Richard P. Stumpf, Blake A. Schaeffer, Elizabeth A. Sams, and Timothy J. Wade. *Great Lake beach-goer behavior during a retrospectively detected bloom of cyanobacteria*. 10th International Conference Toxic Cyanobacteria, Wuhan, China. October 23 – 28, 2016.
10. WS Krueger, **ED Hilborn**, AP Dufour, EA Sams, TJ Wade. *Self-reported acute health effects and exposure to companion animals*. International Conference on Emerging Infectious Diseases, Atlanta, Georgia. August 24 – 26, 2015.

11. **Elizabeth D Hilborn.** *The persistence of Mycobacterium avium in a drinking water system, what is the risk to human health?* Water Microbiology Conference, Chapel Hill May 19, 2015.
12. **Elizabeth D Hilborn.** *The effect of toxic cyanobacteria on human and animal health.* International Symposium for One Health Research, Guangzhou, Guangdong, China. November 22-23, 2014.
13. **Elizabeth D Hilborn** and Jackson, L. *Forest fragmentation and Lyme disease.* Duke Conservation Society Spring Symposium, Durham, North Carolina. March 2014.
14. **Elizabeth D Hilborn,** Cynthia Lin, Elizabeth Sams, Andrew Chapman, Alfred Dufour, Tim Wade. *Health effects associated with cyanobacteria exposure among beach attendees in Puerto Rico.* 9th International Conference Toxic Cyanobacteria. Pilanesburg, South Africa, August 11-16, 2013.
15. **Elizabeth D Hilborn.** *Environmental or Nontuberculous Mycobacteria: what are the important sources of exposure?* American Thoracic Society, 2011 conference, Denver, CO May 17, 2011
16. **Elizabeth D Hilborn.** *Perennial Food Plants for the 21st Century.* North Carolina State University College of Veterinary Medicine, Raleigh, North Carolina. October 2010.
17. **Elizabeth D. Hilborn.** Raquel Soares, Alvarado Delgado, Valeria Magalhães, Wayne W. Carmichael, Jerome Servaites, Sandra M.F.O. Azevedo. *Microcystin exposure and biochemical outcomes among dialysis patients.* 8th International Conference on Toxic Cyanobacteria, Istanbul, Turkey, August 29 – September 4, 2010.
18. **Elizabeth D. Hilborn.** *One Health –How Public Health Solutions Transcend Disciplines.* University of North Carolina at Chapel Hill School of Medicine, Chapel Hill, North Carolina, February 18, 2009.
19. **Elizabeth D. Hilborn** and Andrew J Ghio. *Environmental mycobacteriosis and drinking water: an emerging problem for developed countries.* International Society for Environmental Epidemiology, Dublin, Ireland, August 25 - 29, 2009.
20. **Elizabeth D. Hilborn.** *Epidemiology and Risk Assessment of Toxic Cyanobacteria.* Short course. 7th International Conference on Toxic Cyanobacteria. Rio de Janeiro State, Brazil. August 10 - 11, 2007.

21. **Hilborn E**, Frost F, Neas L, Muller T, Calderon R. *Prevalence of Cryptosporidium parvum antibody in a subset of National Health and Nutrition Examination Survey III participants*. International Conference Emerging Infectious Disease, Atlanta, Georgia. July, 2000.
22. **Elizabeth D. Hilborn**. *Outbreak Investigation*. Seminar. University of North Carolina at Chapel Hill, School of Public Health. Chapel Hill, North Carolina. September 1998.
23. **Hilborn ED**, Mermin J, Mshar P, Hadler JL, Voetsch A, Wojtkunski C, Swartz M, Mshar R, Lambert-Fair MA, Farrar JA, Glynn MK, Slutsker L. *A Multistate Outbreak of Escherichia coli O157:H7 Infections Associated with Mesclun Lettuce*. Annual Meeting of the American Veterinary Medical Association, Baltimore, Maryland. July 1998.
24. **Elizabeth D. Hilborn**. *Ehrlichiosis Surveillance, Connecticut, 1995, 1996*. New York State Department of Health Ehrlichiosis Conference. Poughkeepsie, New York, November 1996.
